Sounds good and thanks, just landed and all is well.

Although Sierra Leone is transitioning from Metabiota, I'm guessing Aiah and Karen will still be involved with the campaign?

Is it ok to share the document for their feedback or hold for now?

Best,
Leilani

Hi everyone,
Thanks for the great meetings over the past several days.

I am in the airport boarding my next flight but wanted to send this on before I get onboard.

Please find attached a draft timeline for the campaign in Sierra Leone.

Peter let me know that we could share the behavioral plan next week, with the revised content for implementing partners to follow.

I look forward to your feedback.
Best,
Leilani
